

HOLIDAY SPIRIT REIGNS AT FARMVILLE NORMAL

Commencement Is Under Way, Marking Close of Thirty-First Session.

MANY VISITING ALUMNAE

Baccalaureate Sermon Preached by Rev. Richard Wilkinson—Program of Week Filled With Interesting Features—Big Class of Graduates.

[Special to The Times-Dispatch.] FARMVILLE, Va., June 5.—Everything at the school is getting into the holiday spirit as the time for the closing of the thirty-first session draws near. The commencement exercises began this afternoon, with an afternoon of national dances by the senior class; the dances of the various countries were given in the national costume, on an outdoor stage.

This evening the alumnae held their annual meeting, which was presided over by the president of the association, Mrs. Lucy Boswell Montague, class of 1912. The address was delivered by Richard C. Stokes, of Covington, Va., and after the exercises in the auditorium, the alumnae banquet was held in the school dining-hall. About 200 visiting alumnae were here, as well as the local alumnae, and the 125 members of the senior class, made quite an imposing gathering.

On Sunday evening the baccalaureate sermon will be preached by Rev. Richard Wilkinson, of Petersburg; the baccalaureates are preached by ministers of the various protestant denominations, taken in order—this year is the time for the Methodist Church.

Music at all of the commencement exercises is furnished by the school Glee Club.

On Monday morning the seniors will give a very elaborate pageant, representing the history of Virginia; this has been written and gotten up by the class, and is a most worthy production. On Monday evening the regular class exercises will be held in the auditorium.

On Tuesday morning will be the graduating exercises, and delivery of diplomas. The address to the graduates will be delivered by Senator Thomas S. Martin. The gift of this class to the school was \$100 worth of pictures for the training school building.

This year's delegation to the Blue Ridge Y. W. C. A. Convention will be the largest that has ever gone from the school, and will occupy the school cottage there, which was erected this spring. Those who expect to be at Blue Ridge are:

From the Y. W. C. A. cabinet—Misses Helene Nichols, Ellen Lash, Cornelia Seabury, Marcella Barnes, Lucille Woodson, Virginia Watkins, Marjorie Matthews and Florence Hall.

From the school—Miss Marie Noel, representing the Student Government Association; Katherine Middleton, representing the Dramatic Club; Nancy Lewis, representing the Glee Club; Annie Loving, representing the Normal League; Natalie Henry, Julia Brittain, Madeline Warburton and Louise Chiles, representing The Focus.

From the faculty—Miss Mix, Peck and Sutherland; Y. W. C. A. secretary, Miss Charlotte Conover.

The prizes offered by the literary societies for the best poem, the best short story and the best essay written during the spring term were awarded on the morning of June 3; these prizes were each a \$5 gold piece, and were won by the following young women: Poem—Miss Temple Seaford, of South Richmond; short story—Miss Ethel Elin, of Monterey; essay—Miss Marcella Barnes, of Amelia Courthouse.

During the past week S. P. Dulie, director of the training school and head of the department of education, delivered the address to the graduates of the Rocky Mount High School, and also visited the schools of Martinsville.

MY TIRED FEET ACHED FOR "TIZ"

Let your sore, swollen, aching feet spread out in a bath of "TIZ."

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunton-tortured feet of yours in a "TIZ" bath. Your toes will wriggle with joy; they'll look up at you and almost talk, and then they'll take another dive in that "TIZ" bath.

To Improve Expression As Well As Complexion

No face is really beautiful that lacks expression. Do you realize that continual use of powders and creams tends to spoil piliplancy of skin and elasticity of expression? Why not quit cosmetics, use something better, which won't clog the pores or make the skin dry, pasty or oily? Ordinary mercerized wax acts quite differently from any cosmetic. It wonderfully improves any complexion, giving it life and expression. By gradually, harmlessly peeling off the thin veil of surface skin, it brings to view a pure, soft, spotless complexion, delicately beautiful and youthful. Every druggist has the skin dry, pasty or oily? Ordinary mercerized wax acts quite differently from any cosmetic. It wonderfully improves any complexion, giving it life and expression.
